### **Immersion: Investing in God's World**

This 8 session study invites us to explore what it means to be a disciple of Jesus. Created by two United Church ministers (Richard Bott and Dave Anderson) in British Columbia it leads us through the basic precepts of Christian faith and challenges us to make that faith an integral part of our daily life. It is appropriate for those who are new to Christianity, those who have explored these questions on a regular basis, and those who have been around the church for decades but would like to revisit what the faith means. as Richard and Dave write: "**Immersion** is our attempt to provide a foundation on which people can build and deepen their faith"

I am thinking of leading a group through the **Immersion** program here at St. Paul's either on Sunday afternoons or Wednesday evenings. Let me know if you are interested and which time works best for you and I will order copies of the resources.

--Gord
