One Weekend
Only

a one act, comedy play
written and performed by **Rebecca Merkley**

This captivatingly honest, and often hilarious, solo performance revisits the author's journey in the psyche ward, secluded away on the 5th floor in the south wing of the hospital.

Rebecca Merkley gives a "tour de force performance" as she tackles the complexities of living with and battling mental health.

Sold out at The Edmonton International Fringe Festival and sold out at her held over performance at The Sewing Machine Factory.
